ADVANCED FOUNDATION REPAIR LLC

"Focusing On Your Foundation"

Meet Your Foundation Consultant

Paul has been in the construction industry for over 25 years. He received his training in foundation repair and basement waterproofing at Gibbons Basement Systems. From laborer to crew foreman to production manager to foundation specialist, Paul's hands-on experience in every level of foundation repair assists him in recommending engineered solutions for our customers. When Gibbons Basement Systems closed their doors in 2012, Paul was able to bring his training and experience to *Advanced Foundation Repair*.

Paul loves a challenge and the opportunity to meet and help people. He has received specialized training in all aspects of basement waterproofing and foundation repair. Paul resides in Mexico, Missouri with his wife, Lorie and children, Dayton, Taylor, Dillon, and Darrell. His hobbies include hunting, fishing, and spending time with family.
